GHSA Schools Invited:

Click Next when all invited schools have been selected.

The next page is where (optionally) invited Non-GHSA and/or border state schools are added:

Create a Sanctioned Event Application

Non-Member Georgia Schools Invited

Schools invited to the event that are located in Georgia, but are not members of the GHSA

Border State Schools Invited

Schools from bordering states that have been invited to the event

In order to add a school, enter:

School Name

School City (and state for border state schools)

School Athletic Association

then press the "Add School" button. Once all of these schools have been added, click the Next button.

The final page of the application form is a statement of the GHSA policies on sanctioned events. The user must check the box signifying agreement with the policies.

Sanctioning Policy

I agree to the stipulations below:

1. Each school guarantees its membership is in good standing in its own state high school association and also guarantees that participation in this contest shall not violate any standard of that association. The sanction is void if such membership has been terminated or if participation is found to be contrary to the state or national rules.
2. Each participant shall be eligible under the rules of his or her home state association.
3. Awards shall be limited to those permitted by the state association with the most restrictive award rule.
4. No entry shall be accepted for any competitor from any state or section not included in the list of states from which sanction is received.

Click the “Save Application” button in order to save the application. The application will then be added to the current list of Sanctioned Event Applications.

Sanction Application Processing - Signature

When an application is created, its status immediately becomes “New” as shown below.

Sport	Host School	Location	Date(s)	Event	Status	Operations
Baseball	Americus-Sumter	Americus	02/12/12	Test Event	New	edit delete sign border-states

Next, the application must be signed by the principal or headmaster of the host school. No further application processing should take place until the application is signed. The user will be notified via email that an application is waiting to be approved.

In order to sign an application, the authorizing user must login with his/her credentials and access the application list. The list will display a “sign” link for those applications that require approval.

Sport	Host School	Location	Date(s)	Event	Status	Operations
Baseball	Americus-Sumter	Americus	02/12/12	Test Event	New	edit delete sign border-states

When the user accesses the “sign” link, the following form will appear (details of the application are left out here - the user will see the entire application):

Sign a Sanctioned Event Application

A sanctioned event application must be signed by a school principal, headmaster, or other endorsing authority of the host school or entity. Please review the application and indicate your endorsement at the bottom of the form.
